

Mirella Calcinai graduated in Medicine and Surgery at the University of Pisa in 1989 and specialized in Otolaryngology in 1993.

She has worked in the plasma derived industry since 1992 in different areas before joining the Regulatory department in 1997, where has served for more than twenty years. From 2013 until 2018 she covered the position of Global Regulatory Affairs Director at Kedrion S.p.A managing the Italian, US and Hungarian regulatory teams.

Mirella joined the Kedrion Clinical research Department in September 2018 in the role of Clinical Research Director.
